

HIGH SCHOOL

Request for Tuition Assistance

Catholic Faith Communities of St. Theresa and St. Christopher Parishes, Tiverton, RI

We commend the commitment that families make to enroll their children in a Catholic High School and we applaud your effort and sacrifice. Aware of the added cost associated with this commitment, our parishes wish to extend assistance to the fullest extent possible.

Eligibility for financial assistance requires that the family be registered in either parish and that they are actively participating in parish life by attending Mass regularly on weekends and by supporting the parish according to their means. This support would be made evident in any monetary donations made and by willingly volunteering for any number of activities offered throughout the year.

In addition to this form, the Diocese of Providence requires any family requesting assistance for Catholic High School to complete the FACTS Grant & Aid Assessment and have received a statement of calculated need. The FACTS website is www.factsmtg.com

Please fill out the following form fully; including the back. Include your statement of calculated need letter and submit to the parish office no later than May 23, 2021 for the 2021/2022 school year so that all requests can be honored.

Fr. Shemek
