To insure consistent and fair opportunity for all requesting the Sanctuary Candle for, in memory of a loved one, we can schedule no more than 4 (four) Sanctuary Candle requests per year from each donor requesting an intention for any dates for 2025.

Please be sure to use the correct form for requesting the Sanctuary Candle. Requests for the Sanctuary Candle is a newly created form for 2025.

Forms for **2025** are new and the heading is highlighted in yellow to better help you choose the correct form. All forms can be found in the back of both churches and on our website.

If you are not sure which form to use or have questions about making a request, please call the parish office Mondays, Tuesdays or Wednesdays from 8:30am-12noon 401-624-8746.
